Who We Are

Regional engineering & contracting company

Delivering integrated engineering and construction solutions with a commitment to excellence.

Focus on industrial, commercial and infrastructure projects

We build high-performance facilities that drive progress and create lasting value.

Serving Egypt, GCC & Africa

Strategically positioned to deliver projects across key markets with local insight and global standards.

Quality-driven execution

We combine technical expertise, rigorous planning and safety-first culture to deliver projects on time, on budget and to the highest quality.

Vision & Mission

VISION

To be the trusted partner of choice for engineering and construction across the region.

We aim to lead with excellence, build lasting value, and shape the future of infrastructure through innovation, sustainability, and unwavering integrity.

MISSION

To deliver integrated contracting solutions that exceed expectations.

We are committed to delivering projects safely, on time, and to the highest quality standards, through technical expertise, collaborative partnerships, and a culture of continuous improvement and innovation.

EXCELLENCE
IN DELIVERY

IN SOLUTIONS

SUSTAINABILITY
IN OUR FUTURE

CORE SERVICES

End-to-end engineering and contracting solutions delivered with quality, safety and excellence.

GENERAL CONTRACTING

Delivering construction projects of all scales with quality and integrity.

DESIGN & BUILD

Integrated design and construction under one roof for seamless delivery.

EPC PROJECTS

Engineering, Procurement and Construction solutions for complex industrial projects.

INDUSTRIAL CONSTRUCTION

Specialized in industrial facilities, factories, plants and logistics infrastructure.

STEEL STRUCTURES

Design, fabrication and erection of high-quality steel structures with precision.

ENGINEERING SERVICES

Providing engineering, project management and technical consulting services.

SAFETY FIRST | QUALITY ALWAYS | EXCELLENCE IN DELIVERY

www.novarq.com

MARKETS

Building across key markets with local insight and international standards.

EGYPT

Strong presence in industrial, infrastructure and commercial projects.

SUDAN

Delivering impactful projects that support growth and development.

SAUDI ARABIA

Contributing to the Kingdom's vision through quality engineering solutions.

UAE

Supporting the region's progress with world-class construction services.

KUWAIT

Building lasting partnerships through reliable and efficient execution.

AFRICA

Expanding across Africa with a commitment to excellence and sustainable impact.

GLOBAL VISION

LOCAL PARTNERSHIPS
Lasting Relationships

QUALITY COMMITMENT
Excellence in Every Project

Why NOVARQ?

A Partner You Can Trust for Complex Engineering
& Construction Projects

1. ENGINEERING-LED DELIVERY

We engineer every project for maximum efficiency, constructability, and long-term performance.

3. EXECUTION YOU CAN RELY ON

We deliver projects safely, on schedule, and with disciplined project management.

5. SAFETY IS OUR CULTURE

We maintain the highest HSE standards to protect people, assets, and operations.

2. QUALITY WITHOUT COMPROMISE

Quality is embedded in every stage—from planning and procurement to execution and handover.

4. VALUE THROUGH EXPERIENCE

Our engineering expertise optimizes cost, minimizes risk, and maximizes project value.

6. LONG-TERM PARTNERSHIPS

We build lasting relationships based on trust, transparency, and consistent performance.

“

We don't simply construct buildings.
We deliver confidence, certainty, and long-term value.

”

100%
COMMITMENT

Dedicated to our clients
and their success

ZERO
COMPROMISE

On quality, safety
and integrity

ONE
TRUSTED PARTNER

From concept to completion
and beyond

**BUILT ON QUALITY.
DRIVEN BY PERFORMANCE.
TRUSTED FOR DELIVERY.**

INDUSTRIES

We deliver engineered solutions for a wide range of industries with a focus on quality, safety and performance.

INDUSTRIAL PLANTS

Integrated design and construction of industrial facilities, process plants and manufacturing complexes built for performance and reliability.

WAREHOUSES

High-quality, cost-effective warehouse solutions designed to optimize storage, operations and supply chain efficiency.

LOGISTICS CENTERS

End-to-end logistics facilities that support seamless movement, connectivity and operational excellence.

COMMERCIAL BUILDINGS

Modern, functional and sustainable commercial spaces that reflect quality, innovation and architectural excellence.

INFRASTRUCTURE

Reliable infrastructure solutions including roads, bridges and utility works that build strong foundations for communities and economies.

ENGINEERED FOR EVERY INDUSTRY.
BUILT TO LAST.

BUILT TO
HIGHEST
STANDARDS

DELIVERED
WITH PRECISION
AND CARE

FOCUSED ON
YOUR SUCCESS
TODAY AND
TOMORROW

SUSTAINABLE
SOLUTIONS
FOR A BETTER
FUTURE

QUALITY & HSE

Committed to international quality standards, continuous improvement, and a safe working environment.

QUALITY YOU CAN TRUST

Quality is embedded in every stage to deliver reliable, long-lasting results.

SAFETY ALWAYS

The safety of our people, partners and communities is our top priority.

BETTER EVERY DAY

We continue to improve our systems, processes and performance.

RIGOROUS QUALITY CONTROL

Comprehensive inspections and testing throughout the project lifecycle to ensure compliance and highest standards.

HSE TRAINING & AWARENESS

Regular training and awareness programs to build knowledge, responsibility and a strong safety culture.

PRECISION IN EXECUTION

Experienced teams, proven methodologies and attention to detail to deliver quality with precision.

SAFE WORK ENVIRONMENT

Strict procedures, risk assessments and site management systems to prevent incidents and ensure a safe workplace.

ENVIRONMENTAL CARE

We care for the environment through responsible practices and efficient use of resources.

QUALITY IN EVERY DETAIL

We do the right thing, the right way, every time.

ZERO COMPROMISE ON SAFETY

No shortcut is worth a life or an injury.

OUR PEOPLE, OUR STRENGTH

Empowered teams driving safe and quality performance.

CONTINUOUS IMPROVEMENT

We learn, adapt and innovate for a better tomorrow.

BUILDING TRUST THROUGH PERFORMANCE

Quality and safety are the foundation of every lasting partnership.

OUR GROWTH STRATEGY

Building the Next Generation of Engineering Excellence Across the Middle East & Africa

Expanding our footprint through strategic partnerships, operational excellence, and high-value projects that drive sustainable growth.

REGIONAL EXPANSION

Growing our presence across the GCC and Africa through strategic market entry and local partnerships.

INDUSTRIAL EXCELLENCE

Delivering complex industrial, logistics, and infrastructure projects that create lasting value.

STRATEGIC PARTNERSHIPS

Building long-term relationships with clients, consultants, developers, and international partners.

SUSTAINABLE GROWTH

Investing in people, innovation, and technology to ensure long-term success and impact.
